MEN WANTED WITH MUSKETS.

To Raise an American Flag Which a Foreign Mob Kept Down. ISPECIAL TO THE EVENING WORLD.

Pittsbuno, March 28,-A secret circular has been issued by the Eureka Lodge, a junior order of the United American Mechanics, asking for one thousand men with chanics, asking for one thousand men with muskets to proceed to Mucklerat, a small mining town twelve miles from here.

The call asks for men to morrow in order to raise an American flag, by force if neces-say, over a school-house there.

The Lodge presented the flag last Satur-day, but was prevented from hoisting it by a howling mob of foreign miners.
Leaders of the Order here advise against all violence, but say the flag must go up.
